### TechNet North 2008 Gala Dinner

Dear Mr. Dupont,

I would like to thank you for your recent phone call regarding your upcoming TechNet North semi-annual Conference. Your interest in donating the proceeds from your TechNet North 2008 Gala Dinner to the Military Families Fund is greatly appreciated.

In this regard, your promotional, marketing and solicitation material may state that your event is raising funds for the Military Families Fund, providing that you include a Disclaimer in the materials clarifying that the project is not a DND/CF or NPP activity and advising that you are not an Authorized Agent of DND or the CF.

All donations to Military Families Fund for an amount greater than \$10.00 are receipted as "donations to the Crown" and are provided with tax receipts. The tax treatment for donations to the Crown is similar to donations to registered charities, although the CFPSA is not a charity. There is no registered charity number for donations to the Crown. In order to complete the tax receipt, it is important that we receive the full name and mailing address of the individual or company making the donation.

To assist you in providing information on the Military Families Fund, I have enclosed some brochures and posters.

Thank you again for your support of the military members and their families. Should you have any questions, or require further information about the various funds, please visit the CFPSA website ([www.CFPSA.com](http://www.CFPSA.com)) or contact me.

Best Wishes for a successful conference and thank you in advance for your efforts.
